

**Dear Mom & Grandma**

Although we cannot see you now,  
You are always on our minds.  
All the loving things you did for us,  
So Thoughtful and so kind.

Although we cannot hold you now,  
You are being held here in our hearts.  
And through our loving memories,  
We will never have to part.

Although we cannot call on you,  
To help us through the day.  
We will remember what you taught us  
With your loving ways.

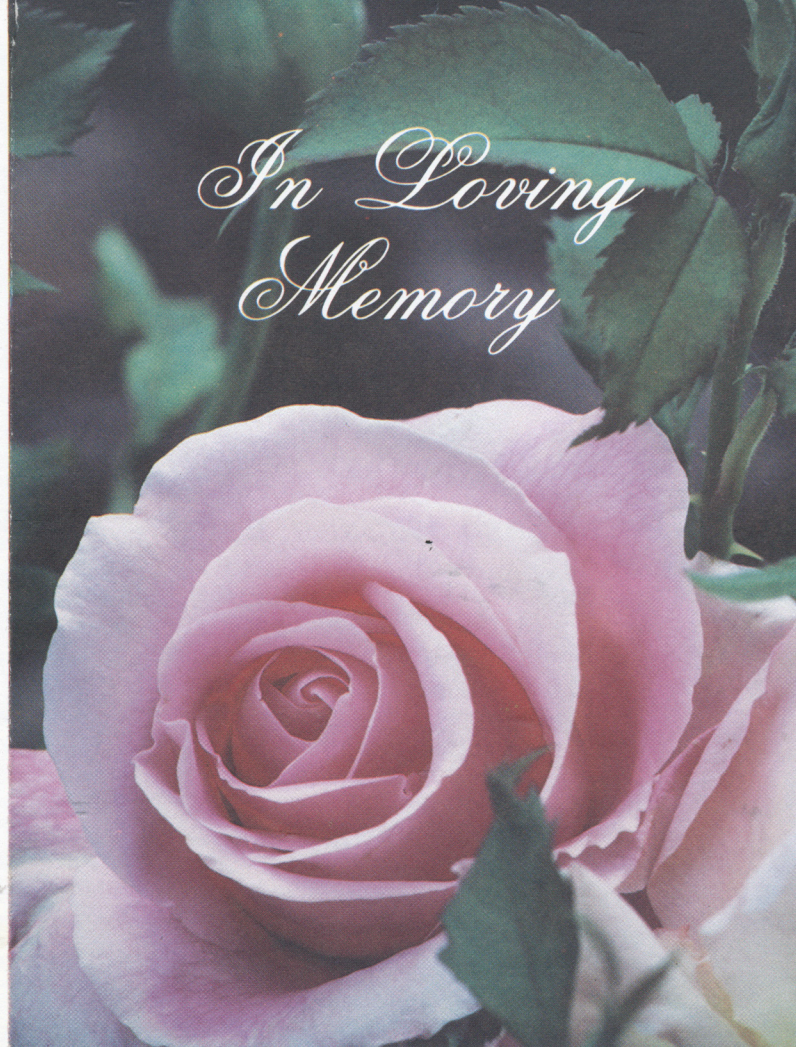

Although we cannot tell you now,  
How special you have been,  
We will be sure to tell you, Mom  
When we see you again.
