Dear Aunt Anna

You will no doubt be  
surprise to get a letter  
from one that <sup>have not</sup> seen since  
perhaps heard of - my  
sister Mrs Hayward has  
written to me about space.  
I am so glad to hear  
you are alive and I  
hope well you can  
never imagine how much  
I would like to see you  
never saw an of my Aunts  
I am awfull sorry poor

Father did not get to know  
where you were so he  
could have seen you  
before he died it is too  
bad you did not write  
before. I presume you did  
not write to Uncle Hans  
either he died about 5 years  
ago I saw him about 11 years  
ago Conson Edna his oldest  
daughter writes to me often  
in a child. I presume it  
will surprise you to find  
how many nieces and nephews  
you have. I presume Rena

has told you about some  
of us. I have been in  
Alaska for the last 11 years  
it is about 14 years since  
I was an of my folks I  
expect to go back to Minnesota  
for a visit this summer

then but you must send  
me a picture of your self  
without delay and I will send  
you some of my self and  
family, my Husband has going  
back to Juneau Alaska  
to work this summer but

the climate here is so  
nice that we would not  
live an where else now  
after living here. I hope  
some of my folk will come  
out here to live too.  
I must not tired you
