A blessing given by Orson Hyde Hickenlooper, Patriarch, upon the head of Margareta (Tslie) Allen, daughter of Olef Tslie and Anna (Larsen) Tslie born June 11, 1874, Thronhjem, Norway.

Sister Margareta (Tslie) Allen, in the name of the Lord Jesus Christ and by the authority of the Holy Priesthood which I hold, I place my hands upon your head and give you a blessing. You are of the lineage of Joseph through Ephriam his son and are entitled to all the privileges and blessings and promises made to the chosen seed of Israel. You were valiant in the Spirit World and you sang with the sons and daughters of Zion, and sang and shouted when the earth was being created. You made promises and <sup>permitted</sup> was sealed to come down here upon the earth and take a body and raise sons and daughters and do the work that was required at your hand. You have been permitted to rear a family and you have done a great work upon the earth. You have been sorely tempted and have had many stumbling blocks and many trials to pass through. In it all you have not ceased to love the Lord and have been willing to do your part. Because of this the Lord is going to bless you. I feel to say unto you that from this time forth you are going to receive strength in your body and also in your mind. That the angels of the Lord are going to be near unto you, to administer unto your wants and that the remainder of your life will be one of worth and more pleasure; and I bless you with the blessing of health and strength and power to resist evil. Power to banish from you the power of the destroyer, that your body may be whole and that every faculty may be made bright and the desire of your heart may be filled. I seal you up against the power of Satan, that he may have no power over you until your work is completed here upon this earth. And I do it by the power of the Priesthood and authority which I hold, Amen.
